Subject: data packages for Willowbrook samples 2/5-2/6
Attachments: Cal Curve 9020003 19BL.PDF; Data Package Willowbrook Feb 5-6 samples.PDF

Hi Lew,

Attached please find data packages for samples collected from 2/5-2/6 as well as associated calibration documents. Please note that within the data package, the contract lab labeled the samples according to their sample retrieval date, which was 2/6. Also dilution was conducted for sample collected at Willowbrook EPA warehouse. Any questions, please let me know.
